

Choice Solutions Limited

received the **Solution Champ (Data Center Optimization) Award**

Choice Solutions Limited won the award at the 9th SP Summit 2014. The 9th SP Summit 2014 was held at the Poovar Island Resort in Thiruvananthapuram, Kerala from March 7, 2014 onwards.

After a formal round of DQ Channels' team introduction and lamp lightening session, the conference finally began with a session by KV Jagannath, CEO & MD of Choice Solutions Ltd. He also happens to be a management trainer and he presented his view on Strategic Networking: Externally and Internally, Building Leaders of the Future. He emphasized that 80-90% of sales leads come through networking.

On a lighter note, Anantharam V Varayur quoted Robert Kiyosaki while countering KV Jagannath and said "The richest people in the world build networks; everyone else is trained to look for work."
